SECRETARY: - Troy Fitzgerald 0422 151 808

TRACK INFO LINE 0407 632 262

**Welcome to the February—March 2010 newsletter.**

Club Day number one is in the record books. A perfect track and overcast skies promised a great days racing but the sticky heat of Qld's summertime soon had most competitors wiping off the perspiration on the startline. The two long moto format tested the stamina of most riders but the feedback we got seemed to be in favour and we will be continuing this format for Club Day 2 in March.

We signed on 184 riders, a few below last year with the junior grids being a bit light in some classes. While the day was still quite successful, we would like to see the junior grids swell a bit for the next round.

Your 2010 calendar can be found attached to this newsletter. Thanks to Brian Simpson for preparing this for us. Pull it off and stick it up on the fridge so you can't miss anything this year.

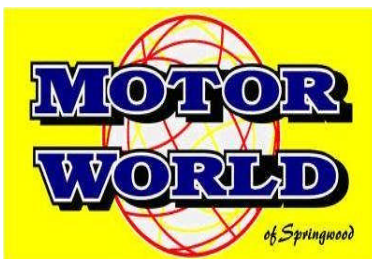

**Notes from Race Day:**

Remember that attendance at riders briefing is compulsory and if you are caught out elsewhere, you may be excluded from riding. Riders briefing will be held near the scrutineering area at about 8.35 am, so Paul asks that all riders make their way to that area at 8.30 sharp.

If you want to race at Stanmore, you must be a member. Memberships are available on any practice day or for a limited time on the working bee Saturday. Please organise your membership **BEFORE** race day.

At presentation after racing, trophies will only be given out to the recipient. If you are unable to stay for presentation, your trophy will be available for pick up later.

The working bee was well attended so a big thanks to all those who lent their time to help out. Due to popular demand, the Vet race will now be a single gate drop only.

There have been ongoing negotiations between council and the club regarding our future and the future of Motocross on the Gold Coast. We always discuss these issues and others at our committee meetings on the first Tuesday of each month at The Showmans Club, Stanmore Rd. Starts at 7pm, meals available from 6pm.

**Notes from Practice Days:**

Practice days have still been very busy with well over 100 on most (good) days.

This can be a strain on the officials running the day and of course your riding sessions are going to be further apart. Please be patient on these days and any help with watering etc can be very helpful.

It is a condition of riding at Stanmore, or any other club affiliated with MA, that you must sign the indemnity and possess a licence to ride. If you risk sneaking a ride, or you help someone to ride without signing on, you will be banned from the club. You may also be banned from other clubs and may not be able to possess an MA licence in the future. Ask yourself if it is worth it.....

Century 21  
At the Heart of Your Party

We will need members to step up this year and gain experience to become MA race officials. We have only just got the officials we need at present, and if someone can't turn up for any reason, or need to move on at short notice, we are short and sometimes can't run a meeting. It's quite easy to get the credentials to become a scrutineer, chief marshal, race secretary, practice convenor, clerk of course and steward. There has been some interest last year by some members and parents, so get involved and find out that it's not only free to do it but there are great rewards and experiences to discover. Without these officials, we can't even open the gates so for members that want to see the club move on into the future the time to do something is SOON.

13/03/10 – Refresher – Ipswich

20-21/03/10 – Generic/Clerk/Steward – Ipswich

22/05/10 – Scrutineer or Race Secretary – Ipswich

23/05/10 – Noise Control Officer or Practice Supervisor – Ipswich

12/06/10 – Noise Control Officer or Practice Supervisor -Gold Coast

17/07/10 – Noise Control Officer or Practice Supervisor - Sunshine Coast

07-08/08/10 – Generic/Clerk/Steward – Gold Coast

14/08/10 – Scrutineer or Race Secretary – Gold Coast

18/09/10 – Refresher – Sunshine Coast

25-26/09/10 – Generic/Clerk/Steward – Toowoomba
